

# Alteration to Bus Service 309/310

## Due to road closure at Station Hill, Lynton

### Monday 13th June - Friday 1st July, 2022

Due to the closure of Station Hill, Lynton from 13th June - 1st July, there will be alterations to service 309/310.

Heading into Lynton, buses will serve Castle Hill before the town centre. The route in the Lynton area will therefore be Castle Hill, Lee Road, Belle View Avenue, Lydiate Lane, Crossmead, Lee Road, Castle Hill, Castle Hill Car Park, and then the normal route to Lynmouth.

Due to the extra time this takes, most buses will therefore return directly from Lynmouth and omit Lynton so as to ensure all stops that can be served still have a bus service and that train connections can be made at Barnstaple. The exceptions are some early morning journeys which will run as normal due to starting at Lynmouth.

The timetable for the service for the Lynton/Lynmouth area whilst this closure is in place is below:
